THE ALEXANDER PRESS

NEW YORK

CONDITIONS OF SALE

[1]

The highest bidder shall be the buyer. If any dispute arises between two or more buyers the auctioneer shall have the right to decide the validity of such claims and reopen the bidding should he see fit to do so.

[2]

All catalogued lots are sold at so much each piece unless otherwise announced.

[3]

The auctioneer may reject any bid which is merely a nominal or fractional advance and which in his opinion tends to injure the value of the article offered.

[4]

The purchasers shall give their names and addresses and pay down a cash deposit, or the whole of the purchase money, if required, in default of which the lot or lots so purchased shall be immediately put up again and resold if the auctioneer so decides.

[5]

The Company is most careful and painstaking in its effort to be accurate in cataloguing. However, the authenticity, accuracy of description, or condition of any lot is not guaranteed. Attention is called in the catalogue and also at the time of sale to any imperfection or defect but everything is sold "as is." There can be no recourse nor can any sale be nullified on the grounds of catalogue error or an imperfection not indicated.

[6]

If, through any cause whatsoever, an article purchased cannot be delivered in as good condition as the same may have been at the time of its sale, or should any article purchased thereafter be stolen or misdelivered, destroyed or lost, the Company is not to be held liable in any greater amount than the price paid by the purchaser.

[7]

The lots shall be taken away at the buyer's expense and risk upon the conclusion of the sale and the remainder of the purchase money shall be absolutely paid or otherwise settled for to the satisfaction of the Company on or before delivery; in default of which the Company will not hold itself responsible if the lots be lost, stolen, damaged or destroyed, but they will be left at the sole risk of the purchaser.

[8]

Upon failure to comply with the above conditions, the money deposited in part payment shall be forfeited as liquidated damages; all lots uncleared within the time aforesaid shall be resold by public or private sale, without further notice, and the deficiency (if any) attending such resale shall be made good by the defaulter at this sale, together with all charges attending the same. This condition is without prejudice to the right of the Company to enforce the contract made at this sale, without such resale if it thinks fit.

[9]

Bidding on behalf of purchasers who have transmitted to the Company a responsible order for such bidding will be undertaken without charge. The lot number and a description of the article should be given and the bidder should indicate whether the amount offered is for the lot or so much per piece. If the sender of the order is unknown to the Company a deposit should be included or reference submitted. Shipping directions should be clearly given.

[10]

The Company does not engage in the removal or shipping of goods and is in no way responsible for any damage arising in the course of packing or delivery. For the convenience of purchasers a representative of a responsible trucking concern may be seen on the premises.

[11]

Unless the sale is announced as unrestricted the right to bid is reserved by or on behalf of the seller.

[12]

All articles purchased at this sale will be subject to payment of the New York Sales Tax of two per cent (2%) on the purchase price, except where the purchaser signs the certificate required by law that this article was purchased for re-sale.
